FAST FACTS:

- The Bollinger B4 has 71% U.S. content, including the battery, motor/axle, and tires.
- The commercial vehicle tax credit has helped catalyze private investment in U.S. manufacturing. Bollinger's investors cited the commercial vehicle tax credit as a significant factor in projecting increased demand for the B4 and derisking investment in Bollinger Motors, a company going toe to toe with Chinese and other foreign companies in the medium duty commercial vehicle space.
- Bollinger Motors grew from 10 employees (founder + current President and COO) in 2018 to nearly 140 employees in 2025.
